

List It and Write It Early Finisher Pack

By: Primary Paradise

30 List It Pages: (60) lists!
30 Write It Prompts!
TONS of CREATIVE Fun!

Teacher Notes:

This pack contains 30 pages of List It activities (60 total lists) and 30 pages of Write It activities that are perfect writing and thinking exercises for your fast finishers.

Just print and copy the ones you want, and stick them in a basket for early finishers or have students put them in their early finisher folder (this is what I do, and it works perfectly).

My students love working on these, and I love that they're working on their creative thinking and writing skills! These also make a great whole class writing activity, or filler activity when you have a few extra minutes at the end of the day.

I hope you enjoy!

As always, my goal is to make teaching a breeze! 😊
